If you wish to save a little money on shoes for the children, do not fail to see the above goods Saturday before buying elsewhere.

The suspension of the Barre Evening Telegram is no surprise to the newspapers of the state. The somewhat limited field of Barre and Montpelier has supported four evening papers for the last six years, and the wonder is that it has done so. All of the papers, the two at Montpelier and the two at Barre, have been most worthy and excellent publications, and the closing of any of them is a distinct loss. However, the fact remains that the territory is too small for all of them to be operated successfully. Rutland has a territory several times larger than Montpelier-Barre and that territory is thoroughly occupied by one morning and one evening daily.—Rutland News.

VOTED WITH HIS SERVANTS.

Bishop Smith Escorted Three Negroes to the Polls.

Philadelphia, Nov. 9.—The Rev. Dr. Alexander Mackay-Smith, Episcopal Bishop Coadjutor of Pennsylvania, went out early and voted for Roosevelt yesterday. He went over to the polling place in company with three negroes and left again in their company. None had on his hat, not even the Bishop.

The Bishop is a Republican and a Roosevelt man. His three negro servants are also. The Bishop suggested that they all go over together and the blacks seemed pleased. The polling place was in a little cigar store and the advent of Dr. Smith with three blacks and no hat surprised the judges for a moment.

The blacks voted first and the Bishop brought up the end of the line.

FINNAN HADDIES!

Best in the City because they are home cured and fresh each week. Boston Haddies are apt to be old before you get them, and they are pickled too much to suit the taste, in order to preserve them. Ours are not so. We see each fish before it is cured and know it is fresh stock. They are pickled just enough to suit the taste and the best way to prove these statements is to give us a trial order. We feel sure the quality of our Haddies will convince you we are right.

GIVES RELIEF QUICKLY.

Regular Use of Hyomei Cures Most Stubborn Case of Catarrh.

No other medicine gives such prompt relief as Hyomei in the treatment of catarrh.

The first breath of this remedy soothes and heals the irritated and smarting air passages, and the regular use for a few days or weeks will cure the most stubborn case. Some of the reports of those who have been cured of catarrh by Hyomei read like miracles.

John S. Gray of Redmond Hills, Pa., writes: "I am 82 years old and have been a sufferer with catarrh in the head for 25 or 30 years. I have doctored with many specialists and they all told me that the disease was incurable on account of my age. After using Hyomei a short time I was greatly benefited and can now say that I am entirely cured. It has been six months since I stopped using the remedy and I still remain cured."

The complete Hyomei outfit costs but \$1.00, consisting of an inhaler, dropper and sufficient Hyomei to last several weeks. This will effect a cure in ordinary cases, but for chronic and deep-seated cases of catarrh longer use may be necessary, and then extra bottles of Hyomei can be obtained for 50c.

Probably the strongest evidence that can be offered as to the powers of Hyomei to cure catarrh is the fact that Rickert & Wells will agree to refund the money if you say that Hyomei has not helped you.
